

# *Aerosol Whipped Topping*

## *Non-Dairy Aerosol Whipped Topping*

Aerosol toppings are simple and quick, but the more common varieties don't begin to match up in taste or quality to this one. Because aerosol topping technology was invented by Instantwhip in the 1930s, you will find this product to be superior in both function and taste. Customers will praise its unmatched flavor and texture.

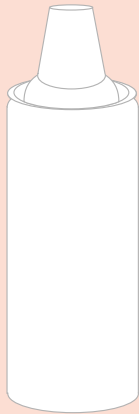

### **The Best Benefits**

- Delectable creamy taste
- Excellent value
- Exceptional body
- Upscale appearance
