

Tater Top™ Sour Dressing

Tater Top Dressing

Wherever sour cream is used in a recipe, Tater Top can go, too. Its appearance, body and flavor are nearly identical to sour cream, but the added benefits of a longer shelf life and versatility are big benefits...all at a much lower price. Use it for Mexican entrées, stroganoff sauce, dips and salad dressings. Tater Top will adapt to make dressings as thick or thin as you like...and it has excellent heat stability.
